Docket Number 7774

Dear Sir/madam,

I would like to be added as a petitioner of the Humane Farming Association v Jane Henney, FDA Docket Number 7774. I reside at 1180 Quail Trail Greensboro, Ga. 30642. My mother, Clara Elayne Ward, died of Creutzfeldt-Jacob Disease (CJD) at Krikwood by the River after a prolonged illness at The University of Alabama at Birmingham (UAB). The address at Kirkwood is 3605 Ratliff Road, Birmingham, Al. 35210. She died on August 17, 2000. After an autopsy at The University of South Alabama (UAB would not perform an autopsy) she was diagnosed with CJD.

My mother had just turned 55 on August 14. As a registered nurse, her love and compassion made this world a better place. It is now up to us to learn about this horrible disease and work to eliminate CJD in the future.

Thank You,

Kym Kyker
